Metro State University

WHEN

11:00 – 12:30 P.M. – Central Time, Friday, February 23rd.

WHERE

Via Zoom: <https://minnstate.zoom.us/j/91542350510>

MORE DETAILS

Description: In this session, faculty members who have received grants at the institutional, system-wide, state, and federal levels will discuss the process of grant writing, tips for success, lessons learned, and how to locate relevant grant opportunities.

This is a part of ongoing professional development activities hosted by Metro State University's Faculty of Color Mentorship program. This conversation is open to all educators, administrators, instructional designers, and students of Minnesota State Education System.
